

Remote Learning

Reception 05.01.2021

Reception's topic for this half term is "Antarctica". For today's home learning task, I would like your child to do some research about Antarctica and they can present their findings any way they wish to – for e.g. a drawing, a painting, a labelled picture, recording them talking, a craft etc. Here are some examples of what they could explore:

- Where is the Antarctica? (South pole, bottom of the Earth)
- What is the weather like?
- What animals live there? Do any people live there?
- If they went to Antarctica, what would they see?
- If they went to Antarctica, what clothes would they need to wear? Why?

Please upload any research onto your child's Tapestry account – this can be in the form of a photo or a video recording.

Here are more links and resources that you can use at home to support your child's learning.

Phonics Support

On your child's Tapestry account, you will find their individual login details for "Teach Your Monster to Read". This is a fantastic website that is free to use on a laptop/computer.

- <https://www.teachyourmonstertoread.com/>
- <https://www.phonicsplay.co.uk/>
- <https://www.phonicsbloom.com/>
- <https://www.bbc.co.uk/cbeebies/shows/alphablocks?scrlybrkr>

Handwriting Support

We use the scheme "Letterjoin" to support the children with their letter formation. You can access their resources and fun activities at home, which can be used on a laptop or tablet. Here are the login details: →

www.letterjoin.co.uk

The screenshot shows the Letterjoin login interface. It has two main sections: "Desktop log-in" and "Tablet log-in". Each section has a "Login" button, a "Desktop" button, and a "Tablet" button. A red arrow points to the "Desktop" button in the "Desktop log-in" section. Another red arrow points to the "Tablet" button in the "Tablet log-in" section. Below the "Tablet log-in" section, there is a "Swipecode" field with a 3x3 grid of circles. The first circle in the first row is filled with purple, and the first circle in the second row is also filled with purple. The other circles are empty.

Desktop log-in	<input type="button" value="Login"/> <input type="button" value="Desktop"/> <input type="button" value="Tablet"/>

Swipecode:	

Maths Support

Reception and KS1 use “Numbots” to support their learning on number, and this can be accessed at home for free. Your child’s individual login details are on their Tapestry account.
