

Year 6 Securing SPaG Skills Sheet 7

Task:	Monday	Tuesday	Wednesday	Thursday	Friday
Are these sentences past simple or past progressive tense?	Little Red Riding Hood was going to visit her Granny.	Her Mother told her to stay on the path through the woods.	She strayed from the path even though she knew she shouldn't.	Red Riding Hood was picking flowers for Granny.	The Wolf was waiting for Red Riding Hood at Granny's house.
Underline the root word in these words:	colourful	unhappy	misbehave	reality	illegal
Is the sentence active or passive?	Alfie is going to be 11 soon.	Party invitations were sent to all of his friends.	The party room was decorated with balloons and banners.	Alfie's friends gave him lots of birthday presents.	The presents were opened after the party games.
Write a pronoun that could replace the underlined words.	Millie hurt her knee when <u>Millie</u> fell over.	That coat is <u>my brother's</u> .	Asha and Darcey were late because <u>Asha and Darcey</u> missed their bus.	Tommy the cat belongs to <u>me and my sister</u> .	<u>Ranjit and I</u> are going to the park later today.

Circle all of the determiners in each sentence.	The teacher told the class they would be completing three tests.	Every child needed a pencil and a ruler.	Several questions in the test were worth two marks.	All children tried hard and answered every question.	Each of the children handed in their test.
Is the underlined noun a collective, common or proper noun?	<u>Mrs Turner</u> walked into the playground.	The sheepdog gathered the <u>flock</u> of sheep.	Asha and her mum caught the train to <u>Leeds</u> .	The <u>tigers</u> in the zoo were prowling near the fence.	The entire <u>herd</u> of cattle were lying down in the field.
Circle all the words that should start with a capital letter.	Next week, ranjit is going to visit his auntie in london.	their teacher, mr carter, handed out the maths books.	Tomorrow, i need to buy a birthday present for alfie.	My big sister is going to the university of cambridge soon.	asha's dog rover chased the ball across the park.
Add in the missing hyphens.	There are thirty one children in the Year 6 class.	It is my sister in law's birthday party today.	My brother's favourite top is lime green and covered in stars.	The strange creature at the zoo had a dragon like appearance.	At my brother's party, there were thirty five year olds.
