

# Year 6 Start of Remote Learning Project

## Our Topic is World War Two

### Research Project

To introduce your new online learning, we are going to begin with an amazing project. You can research any aspect of World War Two that you are interested in. This could be about some of the battles, key machinery, key figures, heroes or villains. You can show this in any way in which you like – that could be a PowerPoint, poster, cake...

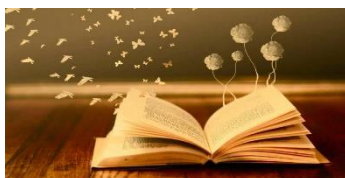

Some things you might like are:

What?	Research WW2 vehicles and select some of your favourite (s).	Present some information about a battle from WW2.	Create a model of an Anderson Shelter or WW2 trench	Design your own WW2 portrait of a key figure from WW2.
