## SEPTEMBER 2018 NEWSLETTER

Dear Parents and Carers

I am delighted to be writing to you as the new Headteacher of Cromwell Academy. I would like to welcome all of our children, parents, carers and families to this very exciting new school year which is sure to be packed full of exciting new experiences and opportunities for your children. I hope you all enjoyed the summer break and the lovely warm weather it brought.

It has been really lovely to be able to get to know some of you already during my visits last term and I look forward to getting to know you and your children over the coming months. Please do make sure you come and say "hello" if you spot me out on the playground some mornings this week and after school.

As well as enjoying a well needed break, the staff have continued to work hard during the holidays to get the school prepared for a brand new year; maintaining and improving the school site, making classrooms a vibrant, inviting and stimulating learning environment for the children to enjoy and planning exciting lessons for the coming term.

We are excited to announce the launch of our brand new website which we have been busy designing and building over the last few months. We are hopeful that this will go live by the end of this week. As well as providing an overview of what the school offers, the website will continue to be a platform for making announcements and providing updates to parents, carers and visitors, so do be sure to familiarise with it as we continue to review and update the content over the term. The school website address will remain the same at:

[www.cromwellacademy.com](http://www.cromwellacademy.com)

I know I speak on behalf of all of the school staff when I say that we are very much looking forward to working with you and your children over the coming year.
