

## Deepening Understanding

### Counting in 2s, 5s and 10s- Investigate it!

Here is half of a one hundred square:

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

Numbers ticked in  (colour) are in the  $2\times$  table.

Numbers ticked in  (colour) are in the  $5\times$  table.

Numbers ticked in  (colour) are in the  $10\times$  table.

What do you notice? Can you explain what you see?
