

Year 3 Spring Term Homework Expectation

Outlined below are the homework expectations for this term.

Reading

Research shows that the more exposure your child has to reading, the more academically able they will be. We recommend and encourage all children to read or be read to every day.

Children in Year 3 are expected to record **a minimum of 4 reads each week** for at least 15 minutes. When your child reads at home, please ensure you write your initials on their bookmark.

Make sure your child takes a quiz when they have finished reading a book via:
