

Friday	<u>Spelling</u>
	<p>Today's spelling task is a Dictation Activity. Read out each of the below sentences to your child and get them to write them into their Home Learning Book. When checking their work, get them to ensure that the highlighted word is spelt correctly.</p> <ol style="list-style-type: none">1. <u>February</u> is the second month of the year.2. Cross the <u>boundary</u> onto the playground.3. Is it <u>necessary</u> to wear a hat?4. I go to <u>primary</u> school.5. Alex was no <u>ordinary</u> man.6. The man got a good <u>salary</u> from his work.

Friday

English

Today, your child is going to be writing their Biography of James I. Use the planning and research from the last two days to support them with their writing and the checklist below to help them include some key biographical features.

When your child has completed their writing, please send it to me so that I can provide them with their next steps.

Checklist

- An introduction that summarises the person's life.
- Written in chronological order
- Written in past tense
- Written in third person (he, she, they)
- Key Dates
- Information about how they will be remembered.

Other things to remember:

- Capital letters and full stops
- Fronted Adverbials (First, Next, Then etc.)
- Spelling
- Best Handwriting

Friday

Maths

Here is the next lesson in our sequence of lessons on Measuring Length. Please help your child to complete the questions below in their Home Learning Book.

Question 1

What unit of measurement would you use to measure these real life objects? Millimetres, centimetres or metres?

Fingernail

Eraser

Pencil

Height of a house

Length of a playground

Length of a table

Question 2

What is the length of each pencil?

Friday

Maths

Here is the next lesson in our sequence of lessons on Measuring Length. Please help your child to complete the questions below in their Home Learning Book.

Question 3

Whitney's ruler is broken.
How could she use it to still measure items?

Question 4

Tommy thinks that this chocolate bar is 4 cm long.
Is he correct?

Convince me.

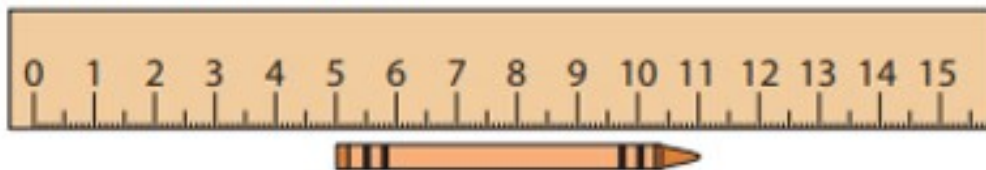

Friday

Maths Extension

Some extra Maths for if your child would like to extend their learning.

I have 2 m of ribbon. How many 60 cm lengths can I cut from it?

How long is the crayon?

A crocodile is 3 times as long as a pig. An elephant is 1.2 m longer than the crocodile. The elephant is 4.2 m long. How long is the pig?

What is the difference in length between the pen and the pencil?
