A Very Warm Welcome to Cromwell Academy

Dear Families

We are delighted that your child has been offered a place at our school and will be joining us in September 2024. We are very much looking forward to meeting you and your child in the coming months and would like to formally welcome you to Cromwell Academy.

Starting school is a very exciting adventure but we also recognise that this can be an anxious time for both parents and children. At Cromwell Academy we have lots of things in place to make starting school easier, ensuring a gradual, smooth and happy transition into school-life for your little one (and, just as importantly, for yourself of course!) We will be offering opportunities to visit the school and spend time in the setting with your child and hear all about what it's like to be part of the Cromwell community. We have a dedicated parent information evening where you will meet key staff, hear about what you can expect from your child's upcoming learning journey and ask any questions you may have.

We will be writing to you again in the next few weeks to provide details on our induction process and to request further information about your child.

If you have any questions at this stage, please contact the school office at office@cra.acesmat.uk and one of the Early Years team will be happy to help you. Please do call us on 01480 437830 if you wish to speak to somebody about your child's place.

You will also get a feel of our school and find lots of information on our website: <https://www.cromwellacademy.com/>. We have created a dedicated page for New Reception 2024, which can be accessed at the following link:
[Cromwell Academy - New Reception 2024-2025](#)

For now, take care and we look forward to meeting you very soon.

Best wishes,

Mrs Hannah Connor-James
Headteacher
