

CURRICULUM FOCUS

Spring A 2026

Year Group: Year 3

Topic Title: Investigating Coasts

Aspects to be taught: Our topic for this half term is 'Investigating Coasts'

- Our topic will be based on the formation of coasts in the UK and abroad. We will be looking at: what coasts are and how they are formed; finding out about the physical features of coasts and how erosion effects them; exploring different strategies of coastal management; identifying different types of beaches; using maps to locate; identify and describe different coastal areas; learning how changes in land use will effect people and the environment in different ways.
- In our English lessons, we will be writing non-chronological reports linked to our learning in Science and Geography. We will then be moving on to writing our own quest stories.
- In Maths, we will be learning a range of different calculation strategies for addition and subtraction.
- In Science, our topic is 'Rocks'. During these lessons, we will be learning about what rocks are, their properties, how they are formed, how rocks make up the earth, different types of soils and how fossils are formed.
- In Computing, we will be learning how to create stop-frame animation.
- In RE, our focus is Judaism. During these lessons, we will be: learning facts about Judaism and Jewish beliefs; learning about the smaller Jewish celebrations including Passover, Sukkot and Purim; learning about how, when and why Jewish people celebrate Hannukah; thinking about who and what Jewish people believe in; finding out about their holy book and place of worship; recognising their key symbols and describing their meanings.
- In Geography, we will be using atlases to find and locate coastal areas, looking at their physical features and understanding how they're formed.
- In History, we will be investigating how coastal areas have changed over time and finding out reasons for this.
- In Art we will be looking at the work of LS Lowry, replicating his style to create our own unique pieces.
- **Our PE days will be on Monday (Indoor) and Friday (Outdoor). Please make sure your child comes to school in their full PE kit (including trainers/plimsolls) on these days.**
- Our PSHE focus will be Rights and Responsibilities. During these sessions we will be learning about our role in the world and how we can be responsible for our own and others well-being.
- In MfL, we will be continuing to converse in Spanish.

We would like you to:

- Read with your child as often as possible, asking them questions about the story and characters. Your child will be sent home with a new reading record. Please ensure this is signed every time your child reads. The expectation is for your children to read 4 times a week. This will be checked on a Friday.
- Remind your child to complete 10 garages on Timestable Rockstars every week. This will be checked on a Friday.
- Your child is required to complete three spelling games on Ed Shed every week. This will be checked on a Friday
- Please ensure that your child has a named water bottle in school each day.
- Please make sure all your child's uniform and equipment is named.

Additional Information:

- A Spring Calendar featuring key dates for the term has been sent separately.
